Uneasy Neighbors

The San Diego Public Library presents the award-winning documentary *Uneasy Neighbors*.

Directed by local filmmaker Paul Espinosa, *Uneasy Neighbors* examines the plight of migrant laborers living in San Diego's North County. The film takes a penetrating look at the tenuous relationship between the impoverished workers and the area's affluent residents. Shots of migrant camps and the daily activity of the workers contrast sharply with the expensive houses and condominiums of Encinitas.

Dr. Espinosa will facilitate a discussion following the screening and present a trailer of his latest film, which focuses on a similar theme.
